| | Will adjust current pa | | | | - | 3 | 청강 가능하나 eResource fee 8 불 면제 안됨 | |
| Submit this form to the Registrar's Office (Pasadena classes) or your Regional Campus office. Audit requests for 10-week classes will be accepted beginning the second week of the quarter, on a first-come, first-served, space-available basis. Audit requests for intensive classes will be accepted after the deadline for credit registration has passed on a first-come, first-served, space-available basis. | | | | | | | | |
| You may attend the class in the meantime, as long as there are seats available not being used by credit students. You will not be able to continue auditing if the class fills with credit students. | | | | | | | | |
| Auditing a class allows you to attend the class. The level of participation permitted beyond this is entiirely up to the professor. No transcript record is created, and the audit cannot be verified at any time by any Fuller personnel. Audits cannot be dropped, and no refunds are given. | | | | | | | | |
| The audit registration information listed above accurately represents my request in every detail. I understand that audit registrations, once entered, cannot be dropped or refunded. I understand and accept the terms of this registration. | | | | | | | | |
